Dear Mac-Groveland Community Partner,

The Macalester-Groveland Community Council (MGCC) is excited to announce the fourth annual **Mac-Grove Fest**, which will take place at Groveland Park on Saturday, September 9 from 2:00 p.m. to 6:00 p.m. We invite you to participate as a community exhibitor at this fun-filled day that features a great line-up of musical performances, good eats, and free kids' activities. What better way to take the edge off the waning days of summer than to come together to celebrate the vibrancy of the Mac-Grove neighborhood and to strengthen our community ties!

Mac-Grove Fest provides a very affordable platform to help you connect face-to-face with community members to raise awareness, share information and encourage involvement in the community as a whole. Your contributions to the Mac-Grove neighborhood help make this Saint Paul neighborhood a special place to live. Shine a light on who you are and everything you do at **Mac-Grove Fest!**

- Join the wonderful array of Mac-Grove community group and non-profit exhibitors in a festive, interactive setting.
- MGCC will supply a 30" x 8' table and two chairs for a reasonable registration fee of \$30 (registration form enclosed).
- If you would like to coordinate an activity to heighten engagement with event attendees, we'd love to hear your ideas.
- MGCC widely advertises **Mac-Grove Fest** via flyers, Facebook, *Villager*, the summer issue of our print newsletter (*Illuminator*) and our online *E-Illuminator*. All Mac-Grove residents receive the *Illuminator* and *Villager*.
- Attendance at last year's Mac-Grove Fest topped 1,000! Of course, we're aiming to make this year's event bigger and better.

Your participation in **Mac-Grove Fest** 2017 will enhance this new community tradition that brings Mac-Grove residents of all ages together with neighborhood businesses and local groups – we all benefit from knowing each other better. MGCC appreciates all you do and we hope that you choose to join us on September 9.

Please don't hesitate to contact me if you have questions.

Sincerely,

Britta Sherrill
Program & Communications Coordinator
