

TRANSPORTATION COMMITTEE MEETING

Monday, April 24th | 6:30-8:30 p.m.

Highland Recreation Center and Library | 1974 Ford Pkwy | Second Floor Community Room

The following event will be held in place of the committee's April meeting

This Inclusive Life

Macalester-Groveland Community Council's Transportation Committee, and Highland District Council invite you to come walk with us!

This walk, designed specifically for MGCC's Transportation Committee members and HPDC's Transportation Committee members, will focus on urban design through an accessibility lens. We will explore the public-rights-of-way of Highland Village while considering access and inclusion for people of all abilities. Before the field experience participants will be grounded in a brief background on disability, ableism, accessibility, and the Americans with Disabilities Act. Participants will have the opportunity to experience the pedestrian realm, including sidewalks, streets, crosswalks, curb ramps, pedestrian signals, and other components, while using a mobility or other service device. There will be ample time for discussion along the way.

Questions? Contact Kjensmo Walker
