

Block Party Barricade Reservation Form

Our barricades are available on a first-come, first-served basis to residents who have already applied for a block party permit through the City of Saint Paul. A \$40 fee and a \$80 refundable deposit are required. Please plan to pay when you receive the barricades in cash or with two separate checks made out to MGCC. The \$80 deposit will be returned when you return the barricades. If you need to cancel your block party, please let us know at 651-695-4000 with as much advanced notice as possible. Thank you!
