

## Minutes

Environment Committee Meeting 2/15/18

Attendance; Craig Skone, Melanie Peterson Nefzinger, Wendell Bell, Sheila Sweeney, Calli (don't have last name), Ryan (don't have last name), Britta Sherill (staff)

Minutes from the January 2018 meeting were approved.

The committee discussed the presentation for upcoming Talking Trash events; hand-outs, locations, etc. The committee discussed using the Home Improvement Fair as an opportunity to work out the kinks. All committee members will be present for the 9 am presentation @ CretinDerham, The committee will continue trying to get into schools to do presentations.

Britta will reach out to a few district councils.

The Organics Drop Off Site was discussed. There has been a continued issue of some members using non-compostable bags to drop compost. Members discussed strong language for drop-off site members to remind them of the importance of treating the site well.

Respectfully Submitted,

Sheila Sweeney
