1. **Introductions:** none.

2. **August 2020 minutes** passed.

3. **Committee Updates**

- MRB Resolution is approved by the MGCC Board of Directors.
- Jack Fei summarized the recommendations of the St Paul CIB Committee for Community Projects
 - Safety through environment design theme: projects with community transformational change potential, lighting and a raised crosswalk.
 - Next opportunity for individual submission is spring 2022.

4. **Rethinking I-94**

- More info about MDOT plan: <http://www.dot.state.mn.us/i-94minneapolis-stpaul/>
- A report that summarizes MDOT documents is being drafted.
- Motion to “add MGCC to list of organization endorsing the flyer for the purpose of further discussion” (Cindy Radtke, Drew Nelson 2nd) passes.
- Follow-up discussions with the City then MDOT to follow.

5. **Stops for Me** (Hugo Bruggeman)

- Discussion shifted to two topic areas for future discussion: Cataloging Engineering Safety Options (raised crosswalk, roundabouts, speed bumps) and Brainstorming how to effectively “Educate Drivers about Pedestrian Safety” without using uniformed Police to stop cars.

6. **Snow Removal** (Spencer Ludtke)

- Discussion centered on the pros and cons of a ‘one side of street parking ban’ during snow season and ‘equity’ in snow removal in St Paul Neighborhoods.
- Committee would like Russ Stark and a Public Works attend our October meeting.

Hugo Bruggeman will send email requesting “Committee Topics” for 2021

Next Meeting: Monday, October 26th @ 6:30 pm.
