- **Security Precautions:** A Zoom link will be sent out to community members who signed up via www.macgrove.org/participate. Please do not share this link with others. In the unlikely event of an external disruption during the meeting, the Zoom meeting may be terminated, and a new Zoom link will promptly be emailed to all participants.
- **Internet Quality** – When possible, physically connect your computer directly to your internet source. If using WIFI, position yourself in an area with the best signal. Remember to disconnect from VPN and turn off unnecessary apps to optimize internet bandwidth.
- **Video** – All Board and Committee members are encouraged to participate using video. However, if you are experiencing poor video/audio quality, click “Stop Video”. As a last resort, you can join by phone.
- **Mute Your Microphone** – To minimize background noise, remember to mute your microphone at the beginning of the meeting. (Mute button is on the lower left corner of the Zoom screen). To speak, press and hold the spacebar on your keyboard to temporarily unmute yourself. Or, unclick the Mute button for an extended conversation.
- **View Settings** – Customize how you view meeting participants on your screen using the settings on the upper right corner of your Zoom screen. Gallery View statically arranges all participants in a grid pattern. Speaker View dynamically brings the current speaker to the forefront.
- **Raising your Hand** – If you would like to provide feedback or ask a question, please click the “raise your hand” icon. If for some reason you do not see an icon labeled “raise hand”, you can also send a message in the chat. You can take yourself off mute to speak, once you have been recognized by the Chair.
