What skills/experience can you contribute to MGCC? *(Approx. 150 words or less)*

MGCC recognizes that equitable community engagement is a critical component of our work. We are dedicated to ensuring that we reach into every part of our community and that our work benefits all our community members. We value the diverse perspectives that additional voices can bring to our conversations and the meaningful outcomes that we can achieve with more authentic engagement. We welcome prospective board members regardless of race, ethnicity, gender, religion, age, sexual orientation, nationality, and disability.

MGCC strives to encourage community members from diverse groups to join its Board, participate in activities, and seek to attain positions of leadership. MGCC believes that a commitment to diversity strengthens the organization’s capacity, enhances relevance and effectiveness, and is an essential component of accountable and representative decision-making.
