MAC-GROVE GUIDE TO INCLUSIVE DECISION MAKING

“Nothing about us, without us.”

ANALYZE

1. Who is most impacted by the recommendations/decisions we are making?

REFLECT

2. Are people (who represent those who will be most impacted) at the recommendation/decision-making table?

CONNECT

3. If the people most affected aren't connected, MGCC will actively seek them out to build relationships and to create space to participate in the future.

- **Security Precautions:** A Zoom link will be sent out to community members who signed up via www.macgrove.org/participate. Please do not share this link with others. In the unlikely event of an external disruption during the meeting, the Zoom meeting may be terminated, and a new Zoom link will promptly be emailed to all participants.
- **Internet Quality** – When possible, physically connect your computer directly to your internet source. If using WIFI, position yourself in an area with the best signal. Remember to disconnect from VPN and turn off unnecessary apps to optimize internet bandwidth.

Committee Meeting Protocol

- **If you would like to comment**, please raise your hand and wait to be recognized. (See *Raising your Hand* above) When recognized, please first state your name and residential cross-streets.
- **This is a place for civil and respectful dialogue.** It does not mean everyone has to agree, but it means we have to treat one another well. Please keep your comments brief and to the point. At about the two-minute mark, the Chair will let you know that your time is almost up.
- After receiving public comments and inquiries, the Committee members will have the opportunity to ask final questions and to discuss the issues at hand. Only voting members of a committee may vote on a motion. If you are not sure whether you are currently a voting member of a committee, please ask the staff member in attendance.
